ZADAR

Historical Venue Event Production

Did I tell you a story?

Arsenal is a historical monument built as a Venetian port warehouse.

The construction of Arsenal started in the 17th century and was completed in the 18th century.

Today, it is a place where history intertwines with modern design and urban lifestyle.

Adapted in 2005 and realized as a "Mediterranean square inside the walls", today Arsenal is a center of Zadar's social life offering wide range of event production and food & beverage services for different occasions.

The Zadar food market is rich with various fruits, vegetables, homemade products , meats and fish straightout of the crystal clear sea and ecologically preserved covesand islands.

The Arsenal Gallery perfectly blends the ambient feel of old stone walls, views of the bay and passing row boats, colours and shapes of installations of local artists, along side the cheerful and efficient staff that will be your hosts.

Mediterranean cooking is known to be one of the healthiest in the world and a perfect reason to visit the Zadar region and her recognized symbol Arsenal.
